

Ten for Ten: Perfecting our Craft – The 2010 ISC Conference
Call for workshop and presentation submissions

The Conference Committee invites proposals for presentations on the following topics:

- Embedded indexing
- Indexing digital archives
- Government contracts
- Quoting for jobs & negotiating contracts (maybe a moderated panel?)
- Managing complex contracts, including multilingual contexts
- Specialized forms of book indexing

It also welcomes proposals in general that are craft- or business-related.

Presentation formats and lengths: We will consider presentations, panels and workshops of 1 - 1 ½ hours in length.

Proposal Format: ½ page description; if this presentation or workshop has been given before, references would be appreciated.

Note that we have already received a number of preliminary proposals; if you have sent one in, do not worry, you do not have to resubmit. You will hear from us as soon as all our decisions are made.

Deadline: February 26, 2010
